Ella Fitzgerald, It Was Written In The Stars

it was written in the stars what was written in the stars shall be it was written in the skies that the heart and not the eyes shall see

and so whether it bring joy whether it bring woe it shall be done now suddenly i know you are the one

here as in a daydream by my side you stand here with my tomorrows in your hands

it was written high above that i have to have your love or i'll never be free and cloudy though the day be crazy though i may be what the stars foretold shall be

here as in a daydream by my side you stand here with my tomorrows in your hands

it was written high above that i have to have your love or i'll never be free and cloudy though the day be crazy though i may be what the stars foretold shall be

and so shall it be...
