

# Ella Fitzgerald, You've Changed

I've an awfully funny feeling that this thought  
that's been a-stealin' through my brain  
Is not to be ignored  
But to really tell the truth, though I'm not a  
well-known sleuth  
I honestly believe that you are bored

You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
You're breaking my heart  
You've changed

You've changed  
Your kisses now are so blas  
You're bored with me in every way  
I can't understand  
You've changed

You've forgotten the words "I love you";  
Each memory that we've shared  
You ignore every star above you  
I can't realize you ever cared

You've changed  
You're not the angel I once knew  
No need to tell me that we're through  
It's all over now  
You've changed
