

Ellegarden, Missing

Ake somaru sora yoru no aizu ga
Kyou mo bokura wo karitate teku
Abe nimo tareta bokura no uta kuchizusamebe

Kasanatte sukoshi raku ni natte
Mitsukatte wa koko ni nigekonde
Waratta koto omoidashite
We're missing, we're missing, we're missing

Ano hanabi mitai ni seijitsu nara
Mayou riyuu mo mitsukaru no ni
Tarinai kioku bokura no uta kuchizusameba

Kasanatte sukoshi raku ni natte
Mitsukatte wa koko ni nigekonde
Waratta koto omoidashite
We're missing, we're missing, we're missing

Machigatte sukoshi ushinatte
Samayotte wa kimi ni deatte
Waratte koto omoidashite
We're missing, we're missing, we're missing

Sooda no naka houseki haitte inakatta kinka
Tayasuku oreta naifu hane no tsuita kamikazari

Hitoshizuku no mizu de oyogu shousan mitai na mono
Atataakai moufu mo taisetsu na n da

Kasanatte sukoshi raku ni natte
Mitsukatte wa koko ni nigekonde
Waratta koto omoidashite
We're missing, we're missing, we're missing

Machigatte sukoshi ushinatte
Samayotte wa kimi ni deatte
Waratte koto omoidashite
We're missing, we're missing, we're missing

We're missing you
Since you left we still can't sleep at night
We're missing, we're missing, we're missing

<lyrics>
The sky turns red
The night's signal
Spurs us on again today
If we hum our song
As we lean against the wall

It overlaps
And makes things a bit easier
When we find it
We run here
Remember
That we laughed
We're missing

Like those sparks
The truth
Can find a reason to be lost
Missing memories

If we hum our song

It overlaps
And makes things a bit easier
When we find it
We run here
Remember
That we laughed
We're missing

I made a mistake
And lost a little
I wandered
And found you
Remember
That we laughed
We're missing

The gem in the soda
The moneylender who wasn't in there
The slightly bent knife
The hairband with wings

The odds of winning
That swim within a single drop of water
A warm blanket
Is important, too

We're missing you
Since you left, we can't sleep at night
We're missing
