

Elley Duhé, Middle Of The Night

I summoned you
Please come to me
Don't bury thoughts that you really want
I fill you up
Drink from my cup
Within me lies what you really want
Come lay me down
Cause ya know this
Cause ya know the sound

In the middle of the night
In the middle of the night
Just call my name
I'm yours to tame
In the middle of the night
In the middle of the night
I'm wide awake
I crave your taste all night long
Till morning comes
I'm getting what is mine
You gon' get yours oh no ooo
In the middle of the night
In the middle of the night ohh woah

These burnin flames
These crashin' waves
wash over me like a hurricane
I captivate you're hypnotized
feel powerful but it's me again yea
come lay me down
Cause I know this
Cause I know this sound

In the middle of the night
In the middle of the night
Just call my name
I'm yours to tame
In the middle of the night
In the middle of the night
I'm wide awake
I crave your taste all night long
Till morning comes
I'm getting what is mine
You gon' get yours oh no ooo
In the middle of the night
In the middle of the night oh woah

Just call on me
Just call my name
Ya call on meeeee

In the middle of the night
In the middle of the night
Just call my name
I'm yours to tame
In the middle of the night
In the middle of the night
I'm wide awake
I crave your taste all night long
Till morning comes
I'm getting what is mine
You gon get yours oh no ooo
In the middle of the night
In the middle of the night oh oh oh oh
