

Ellie Goulding, Lights

I had a way then losing it all on my own
I had a heart then but the queen has been overthrown
And I'm not sleeping now the dark is too hard to beat
And I'm not keeping up the strength I need to push me

You show the lights that stop me turn to stone
You shine them when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone

'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine them when I'm alone

Home

Noises, I play within my head
Touch my own skin and hope they'll still be there
And I think back to when my brother and my sister slept
In another place the only time I feel safe

You show the lights that stop me turn to stone
You shine them when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone

'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine them when I'm alone

Home

Yeah, hee

Light, lights, lights, lights
Light, lights, lights, lights
Light, lights, lights, lights
Light, lights

You show the lights that stop me turn to stone
You shine them when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone

'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine them when I'm alone

Home, home
Light, lights, lights, lights
Light, lights, lights, lights

Home, home
Light, lights, lights, lights
Light, lights, lights, lights

Home, home
Light, lights, lights, lights
Light, lights, lights, lights

Home, home

Light, lights, lights, lights
Light, lights, lights, lights
