

# Elliot Minor, Lucky Star

I heard you fall  
I thought of all the years we spent  
They seem so far away now  
A broken heart  
Left undone  
Tied to imagination  
Letting go seems so hard  
Lighting up and burning out

My lucky star

So I might try  
To bring back what we had back then  
Cause time is moving quickly now  
(Ya-ay)  
Still out of reach  
Giving in I start to fall to pieces  
Letting go seems so hard  
Lighting up and burning out

My lucky star  
(Ya-ay)  
My lucky star  
(Ya-ay)  
My lucky star  
(Keeps on burning out)(Ya-ay)  
My lucky star  
(Keeps on burning out)(Ya-ay)

And when, time tells me that we're moving on  
Soon we'll fall to pieces  
Soon we'll fall to pieces

'Til then we'll move too far  
Gazing at that lucky star

My lucky star  
(Ya-ay)  
My lucky star  
(Ya-ay)  
My lucky star  
(Keeps on burning out)(Ya-ay)  
My lucky star  
(Keeps on burning out)(Ya-ay)
