

# Elliot Smith, Bottle Up And Explode

bottle up and explode  
over and over, keep the troublemaker below  
put it away and check out for the day  
and in for a round of overexposure  
the thing mother nature provides to get up and go

bottle up and explode  
seeing the stars surrounding you, red white and blue

you look at him like you've never known him  
but I know for a fact that you have  
the last time you cried  
who'd you think was inside  
thinking that you were about to come over  
but I'm tired now of waiting for you  
you never show

bottle up and go  
if you're gonna hide it's up to you  
I'm coming through

bottle up and go  
I can make it outside  
I'll get through becoming you  
becoming you  
becoming you
