

Elliott Smith, Rose Parade

They asked me to come down and watch the parade
To march down the street like the Duracell bunny
With a wink and a wave from the cavalcade
Throwing out candy that looks like money
To people passing by that all seem to be going the other way
Said won't you follow me down to the Rose Parade?

Tripped over a dog in a choke-chain collar
People were shouting and pushing and saying
Traded a smoke for a food stamp dollar
Ridiculous marching band started playing
Got me singing along with some half-hearted victory song

Won't you follow me down to the rose parade?
Won't you follow me down to the rose parade?
Won't you follow me down to the rose parade?

The trumpet has obviously been drinking
'Cos he's fucking up even the simplest lines
They say it's a sight that's quite worth seeing
It's just that everyone's interest is stronger than mine
When the clean the streets I'll be the only shit that's left behind

Won't you follow me down to the rose parade?
Won't you follow me down to the rose parade?
Won't you follow me down to the rose parade?
