

# Elliott Smith, Say Yes

I'm in love with the world through the eyes of a girl  
Who's still around the morning after  
We broke up a month ago, and I grew up - I didn't know  
I'd be around the morning after

It's always been wait and see  
A happy day and then you'll pay  
And feel like shit the morning after  
But now I feel changed around  
And instead of falling down  
I'm standing up the morning after  
Situations get fucked up and turned around sooner or later  
I could be another fool or an exception to the rule  
You tell me the morning after

Crooked spin can't come to rest  
I'm damaged bad at best  
She'll decide what she wants  
I'll probably be the last to know  
No one says it 'til it shows  
See how it is, they want you or they don't  
Say yes

I'm in love with the world through the eyes of a girl  
Who's still around the morning after
