Elliott Yamin, A Song For You

Ive been so many places in my life and time
Ive sung a lot of songs, and I made some bad rhymes
Ive acted out my life on stages, with ten thousand people watching
But were alone now, and Im singing this song to you.

I know your image of me is what I hope to be.
Ive treated you unkindly, but darlin cant you see.
Theres no one more important to me, baby cant you see through me.
Cuz were alone now, and Im singing this song to you

You taught me precious secrets, Of a true love, with holding nothing.
You came out in front when I was hiding.
But now Im so much better, and if my words dont come together
Listen to the melody, cuz my love is in there hiding

I love you in a place, where theres no space or time.
I love you for my life, youre a friend of mine
And when my life is over, remember, remember when we were together
We were alone and I was singing this song to you.

I love you in a place, where theres no space or time.
Said I love you for my life, youre a friend of mine.
And when my life is over, remember, remember when we were together
We were alone and I was singing this song to you.

We were alone and I was singing this song to you. [2x]
Singing this song to you.
