Fortunately you have Somebody who relies on you We started out as friends But the thought of you just caves me in The symptoms are so deep It is much too late to turn away We started out as friends

Time I'm sure will bring
Disappointments in so many things
It seems to be the way
When your gambling cards on love you play
I'd rather be in Hell with you baby
Than in cool Heaven
It seems to be the way

Birds never look into the sun Before the day is gone But oh the light shines brighter On a peaceful day Stranger blue leave us alone We don't want to deal with you We'll shed our stains showering In the room that makes the rain

All alone with you Makes the butterflies in me arise Slowly we make love And the Earth rotates To our dictates Slowly we make love
