

Elliott Yamin, You Are The One (Acoustic)

Hmmmmmm
Ooooooooooh

Sometimes I sit and I wonder
And I just can't seem to believe
What a blessing it's been to be loved
You're an angel sent to me

You're the star who lights up my sky
You're the one who made me see
That you don't need wings to fly
Your love has set me free

Cause you are the one who makes me whole
In my heart and in my soul
And just like the sun you showed my the light
I'm amazed and you're the reason why

Before you I was so blind
I didn't know which path to choose
You poured all of this love in my heart
And there's no way that I can lose

And when I have no faith in myself
You're the one who makes me strong
I wouldn't have a story to tell

Or an ending to my song

Cause you are the one who makes me whole
In my heart and in my soul
And just like the sun you showed my the light
I'm amazed and you're the reason why

Oooooohh you're the reason why
Oh ooooooooooh

You are the one who makes me whole
In my heart and in my soul
Just like the sun you showed my the light
I'm amazed and you're the reason why

Cause you are the one who makes me whole
In my heart and in my soul
Just like the sun you showed my the light
I'm amazed and you're the reason why

You are the one who makes me whole
In my heart and in my soul
And just like the sun you showed my the light
I'm amazed and you're the reason why

Hmmmmmmmm Ooooooh
