

ELO, Midnight Blue

I see the lonely road that leads so far away,
I see the distant lights that left behind the day.
But what I see is so much more than I can say
And I see you in midnight blue.

I see you cryin' now, you've found a lot of pain,
And what you're searchin' for can never be the same.
But what's the difference 'cause they say what's in a name?
And I see you in midnight blue.

I will love you tonight,
And I will stay by your side,
Lovin' you, I'm feelin' midnight blue.

I see you standing there far out along the way,
I want to touch you, but the night becomes the day.
I count the words that I am never gonna say
And I see you in midnight blue.

I will love you tonight,
And I will stay by your side,
Lovin' you, I'm feelin' midnight blue.

Can't you feel the love that I'm offering you?
Can't you see how it's meant to be?
Can't you hear the words that I'm saying to you?
Can't you believe like I believe?
It's only one and one it's true,
Still I see you in midnight blue.

I see beautiful days
And I feel beautiful ways
Of loving you, everything's midnight blue.

I will love you tonight,
And I will stay by your side,
Lovin' you, I'm feelin' midnight blue.

I will love you tonight,
And I will stay by your side,
Lovin' you, I'm feelin' midnight blue...
