

ELO, Standin' In The Rain

(Concerto for a rainy day)

[Echo] Rain...

Rainy day, rainy day.

I'm standin' in the rain,
I'm waiting all alone,
I'm so tired,
I wanna go home.

I'm standin' in the rain,
Getting soaking wet,
I'm doin' my best,
But what do I get?

I'm standin' in the rain
Can't seem to get along
Oh, people rushing by (people rushing by),
Wish they could hear my song.

I'm standin' in the rain,
It's teeming down on me
Cats and dogs (hey),
I wanna be free.

I'm standin' in the rain,
Doin' my thing
I'm trying my best.
What does it bring?
I'm standing in the rain
Getting soaking wet
I'm doing my best,
But what do I get?

The good intentions and the pain
Lay drowned now in the pouring rain
I tried to be so good this time
But here I am under the sky.

The good intentions and the pain
Lay drowned now in the pouring rain.

Rainy day, rainy day.
