

ELO, Surrender

Baby, Can you hear me call,
Is it alright, now your back's against the wall.
And baby, is it still the same,
Do you wonder, is it on and back again.

CHORUS:

Surrender, baby surrender,
Surrender, baby surrender.

I know it, what we said that day,
Are you under, does it matter anyway.
You told me, what you said is true,
Does it all mean waitin' gone alone and blue.

CHORUS: Repeat

Baby, Can you hear me call,
Is it alright, now your back's against the wall.
And baby, is it still the same,
Do you wonder, is it on and back again.

CHORUS: Repeat
