Elton John, Bleeding

It's the same song as " Love Lies Bleeding"

Music by Elton John Lyrics by Bernie Taupin

The roses in the window box Have tilted to one side Everything about this house Was born to grow and die

Oh it doesn't seem a year ago To this very day You said I'm sorry honey If I don't change the pace I can't face another day

And love lies bleeding in my hand
Oh it kills me to think of you with another man
I was playing rock and roll and you were just a fan
But my guitar couldn't hold you
So I split the band
Love lies bleeding in my hands

I wonder if those changes Have left a scar on you Like all the burning hoops of fire That you and I passed through

You're a bluebird on a telegraph line I hope you're happy now Well if the wind of change comes down your way girl You'll make it back somehow
