

# Elton John, Dear John

I got home today  
Took a look around  
Trying to find that girl of mine  
She could not be found

All her things were gone  
She just left a note  
It don't take no mastermind  
To figure what she wrote

And she said dear John I'm moving on  
By this time I'm gonna be long gone  
Dear John c'est la vie  
Dear John so long  
You've seen the last of me

I don't want her back  
I won't even try  
This time ain't just au revoir  
This time it's goodbye

We could not go on  
Living like we were  
I was just about to write  
A Dear John note to her

I was gonna say  
Dear John I'm moving on  
By this time I'm gonna be long gone  
Dear John c'est la vie  
Dear John so long  
You've seen the last of me
