Elton John, Don't Stop

Written by Christine McVie

If you wake up and don't want to smile If it takes just a little while Open your eyes and look at the day You'll see things in a different way

Don't stop thinking about tomorrow Don't stop, it'll soon be here It'll be here, better than before Yesterday's gone, yesterday's gone

Why not think about the times to come And not about the things that you've done If your life was bad to you Just think what tomorrow will do

All I want is to see you smile
If it takes just a little while
I know you don't believe that it's true
I never meant any harm to you

Don't you look back Don't you look back
