

Elton John, Friends Never Say Goodbye

Music by Elton John

Lyrics by Tim Rice

From the soundtrack "The Road To El Dorado"

There isn't much I haven't shared

With you along the road

And through it all there'd always be

Tomorrow's episode

Suddenly that isn't true

There's another avenue

Beckoning the great divide

Ask no questions, take no side

Who's to say who's right or wrong

Whose course is braver run

Still we are, have always been

Will ever be as one

What is done has been done for the best

Though the mist in my eyes might suggest

Just a little confusion about what I'll lose

But if I started over I know I would choose

The same joy the same sadness each step of the way

That fought me and taught me that friends never say

Never say goodbye

Never say goodbye

Never say goodbye

Never say goodbye

Suddenly that isn't true

There's another avenue

Beckoning, the great divide

I would choose

The same joy the same sadness each step of the way

That fought me and taught me that friends never say

Never say goodbye

Never say goodbye

Never say goodbye

Never say goodbye
