

# Elton John, Honky Tonk Women

Lyrics by Mick Jagger and Keith Richard

She's a honky tonk women  
Give me, give me, give me the honky tonk blues.

I met a gin soaked, bar-room queen in Memphis,  
She tried to take me upstairs for a ride.  
She tried to heave me right across her shoulder  
And I just can't seem to drink you off my mind.

She's a honky tonk women  
Give me, give me, give me the honky tonk blues.

I laid a divorcee here in New York City,  
I had to put up some kind of a fight.  
The lady then she covered me in roses,  
She blew my nose and then she blew my mind.

She's a honky tonk women  
Give me, give me, give me the honky tonk blues.

She's a honky tonk women  
Give me, give me, give me the honky tonk blues.
