

Elton John, I'm Your Man

Written by Leonard Cohen

If you want a lover
I'll do anything you ask me to
And if you want another kind of love
I'll wear a mask for you
If you want a partner, hold my hand
If you want to strike me down in anger
Here I stand
Baby I'm your man

If you want a boxer
I will step into the ring for you
And if you want a doctor
I'll examine every inch of you
If you want a driver, climb inside
Or if you want to take me for a ride
You know you can
Baby I'm your man

The moon's too bright
The chain's too tight
The beast won't go to sleep
I've been running through these promises to you
That I made and I could not keep

But a man never got a woman back
Not by begging on his knees
Or I'd crawl to you baby
I'd fall at your feet
And I'd howl at your beauty
Like a dog in heat
And I'd claw at your heart
And I'd tear at your sheet
I'd say please
I'm your man

And if you gotta sleep a moment on the road
I will steer for you
And if you want to work the street alone
I'll disappear for you
If you want a father for your child
Or only want to walk with me a while
Across the sand
Baby I'm your man
I'm your man

If you want a lover, I'm your man
If you want a boxer, I'm your man
If you want a doctor, I'm your man
