Elton John, One Day At A Time

You are my weakness You are my friend Nothing I have in the world Makes better sense 'Cause I'm the fish and you're the sea When we're together Or when we're apart There's never a space in-between The beat of our hearts 'Cause I'm the apple and you're the tree

One day at a time Is all we do One day at a time

Is good for you, you, you

You are my woman I am your man Nothing else matters at all Now I understand That I'm the door and you're the key And every morning I wake in your smile Feeling your breath on my face And the love in your eyes 'Cause I'm the honey and you're the bee
