

# Elton John, Sugar Bear

&lt;When I think of those east end lights, muggy nights  
The curtains drawn in the little room downstairs  
Prima donna lord you really should have been there  
Sitting like a princess perched in her electric chair  
And its one more beer and I dont hear you anymore  
Weve all gone crazy lately  
My friends out there rolling round the basement floor

And someone saved my life tonight sugar bear  
You almost had your hooks in me didnt you dear  
You nearly had me roped and tied  
Altar-bound, hypnotized  
Sweet freedom whispered in my ear  
Youre a butterfly  
And butterflies are free to fly  
Fly away, high away, bye bye

I never realised the passing hours of evening showers  
A slip noose hanging in my darkest dreams  
Im strangled by your haunted social scene  
Just a pawn out-played by a dominating queen  
Its four oclock in the morning  
Damn it listen to me good  
Im sleeping with myself tonight  
Saved in time, thank God my musics still alive

And I would have walked head on into the deep end of the river  
Clinging to your stocks and bonds  
Paying your h.p. demands forever  
Theyre coming in the morning with a truck to take me home  
Someone saved my life tonight, someone saved my life tonight  
Someone saved my life tonight, someone saved my life tonight  
Someone saved my life tonight  
So save your strength and run the field you play alone&gt;
