

Elton John, Suzie

Music by elton john
Lyrics by bernie taupin
Available on the album honky chteau

I got frostbitten in the winter
Ice skating on the river
With my pretty little black-eyed girl
She'd make your darn toes curl just to see her

I got a fringe front on my buggy
I got a frisky little colt in a hurry
And a pretty little black-eyed suzie by my side

Well she sure knows how to use me
Pretty little black-eyed suzie
Playing hooky with my heart all the time
Living with her funky family
In a derelict old alley
Down by the river where we share a little loving in the moonshine

I'm an old hayseed harp player
I'm the hit of the county fair
With my pretty little black-eyed girl
Living proof as she swirls
She's a dancer
