Elton John, Suzie

Music by elton john Lyrics by bernie taupin Available on the album honky chteau

I got frostbitten in the winter Ice skating on the river With my pretty little black-eyed girl She'd make your darn toes curl just to see her

I got a fringe front on my buggy I got a frisky little colt in a hurry And a pretty little black-eyed suzie by my side

Well she sure knows how to use me
Pretty little black-eyed suzie
Playing hooky with my heart all the time
Living with her funky family
In a derelict old alley
Down by the river where we share a little loving in the moonshine

I'm an old hayseed harp player I'm the hit of the county fair With my pretty little black-eyed girl Living proof as she swirls She's a dancer
