Elton John, The Bridge

(Music by Elton John, lyrics by Bernie Taupin)

I've seen the bridge and the bridge is long And they built it high and they built it strong Strong enough to hold the weight of time Long enough to leave some of us behind

[Chorus:]

And every one of us has to face that day
Do you cross the bridge or do you fade away
And every one of us that ever came to play
Has to cross the bridge or fade away

Standing on the bridge looking at the waves Seen so many jump, never seen one saved On a distant beach your song can die On a bitter wind, on a cruel tide

[Chorus]

And the bridge it shines Oh cold hard iron Saying come and risk it all Or die trying

[Chorus]
