## Elton John, The King Must Die

No man's a jester playing Shakespeare Round your throne room floor While the juggler's act is danced upon The crown that you once wore

And sooner or later Everybody's kingdom must end And I'm so afraid your courtiers Cannot be called best friends

Caesar's had your troubles Widows had to cry While mercenaries in cloisters sing And the king must die

Some men are better staying sailors Take my word and go But tell the ostler that his name was The very first they chose

And if my hands are stained forever And the altar should refuse me Would you let me in, would you let me in Should I cry sanctuary

No man's a jester playing Shakespeare Round your throne room floor While the juggler's act is danced upon The crown that you once wore

The king is dead, the king is dead The king is dead, the king is dead Long live the king
