

Elton John, Word In Spanish

Wrap Her Up

Elton John

(Elton Jonn/Bernie Taupin)

There are ladies, illegal X's

Mona Lisa's, well connected

They may be shady, English roses

Blue blooded, turn up noses

Money talks, see what it catches

Postage paid, no strings attached

She's a honey, she's a tramp

Roaring twenties, molls and vamps

chorus

Wrap her up, I'll take her home with me

Wrap her up, she is all I need

Wrap her up, I only got one chance

Beast and beauties, but they all can dance

Wrap her up, I'll take her home with me

Wrap her up, she is all I need

Wrap her up, give her to me

Wrap her up

Is she foreign, legs eleven

Italian girls, take me to heaven

You pretty babies, from Paris France

Crazy horses, love to dance

chorus

Wrap her up, I'll take her home with me

Wrap her up, she is all I need

Wrap her up, I only got one chance

Beast and beauties, but they all can dance

Wrap her up, I'll take her home with me

Wrap her up, she is all I need

Wrap her up, give her to me

Wrap her up

Give her to me, wrap her up

I'll take her home with me, wrap her up

She is all I need, wrap her up

I only got one chance, beast and beauties

But they all can dance

Wrap her up, I'll take her home with me

Wrap her up, she is all I need

Wrap her up, give her to me
