

# Elton John, Wrap Her Up

There are ladies, illegal X's  
Mona Lisas, well connected  
They may be shady, English roses  
Blue blooded, turned up noses

Money talks, see what it catches  
Postage paid, no strings attached  
She's a honey, she's a tramp  
Roaring twenties, molls and vamps

Wrap her up, I'll take her home with me  
Wrap her up, she is all I need  
Wrap her up, I only get one chance  
Beasts and beauties, but they all can dance

Wrap her up, I'll take her home with me  
Wrap her up, she is all I need  
Wrap her up  
Give her to me, wrap her up

Is she foreign, legs eleven  
Italian girls, take me to heaven  
You pretty babies, from Paris, France  
Crazy horses, love to dance

Wrap her up, I'll take her home with me  
Wrap her up, she is all I need  
Wrap her up, I only get one chance  
Beasts and beauties, but they all can dance

Wrap her up, I'll take her home with me  
Wrap her up, she is all I need  
Wrap her up, I only get one chance  
Beasts and beauties, but they all can dance

Give it to me, wrap her up

Wrap her up, I'll take her home with me  
Wrap her up, she is all I need  
Wrap her up, I only get one chance  
Beasts and beauties, but they all can dance

Wrap her up, I'll take her home with me  
Wrap her up, she is all I need  
Wrap her up, I only get one chance  
Beasts and beauties, but they all can dance

Give it to me, wrap her up
