

# Elusive, Susannah

Susannah's lying on the floor  
She is down and bleeding  
And all the colours have left your heart  
Sometimes this world can be so cruel

I met her on the street one day  
Sad smile in search of answers  
Susannah, there's no easy way out  
And there's nothing I can do

Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong

Susannah's lying on the floor  
She didn't know that time would heal  
And all the colours have disappeared  
I guess the end is never happy

Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong

Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong  
Susannah  
Don't you cry anymore  
It's just another sad lovesong
