

Elvis Costello, Beautiful

Every day is so wonderful
And suddenly, it's hard to breathe
Now and then, I get insecure
From all the pain, I'm so ashamed

I am beautiful no matter what they say
Words can't bring me down
I am beautiful in every single way
Yes, words can't bring me down
So don't you bring me down today

Salesman: Right leg?

(House removes the headphones)

House: Huh?

Salesman: Your right leg? You can still ride. We've got excellent financing right now. It lists for 10-8

House: No thanks. (He starts to leave and then turns back) Could I test drive one of these things?

No matter what we do
No matter what they say
{When the sun is shining through}??
{Then the clouds won't stay}??

And everywhere we go
The sun won't always shine
Tomorrow we may wake up
on the other side, on the other side
