

# Elvis Costello, Sittin' And Thinkin'

I got loaded last night on a bottle of gin  
And I had a fight with my best girlfriend  
When I'm drinkin' I am nobody's friend  
So please baby wait for me until they let me out again  
I know the same thing has happened before  
And each time it happens, I hate it more & more  
When I'm drinkin' I am nobody's friend  
So please baby wait for me until they let me out again

I spent a whole lotta time sittin' & thinkin'  
Sittin' & just thinkin' 'bout you  
If I didn't spend so much time sittin' & drinkin'  
We'd still have the love I thought we knew

I won't promise the same thing won't happen again  
But I can promise, it'll be a long, long time till then  
'Cause when I'm drinkin' I am nobody's friend  
So please baby wait for me until they let me out again
