

# Elvis Costello, The Only Daddy That'll Walk The Line

(Ivy J. Bryant)

Everybody knows you been steppin' on my toes  
And I'm gettin pretty tired of it  
Keep steppin' outta line and messin' with my mind  
If you had any sense, you'd quit

But ever since you were just a little bitty girl  
Since I was the only man in this whole world  
Now you better do some thinking then you'll find  
You got the only daddy that'll walk the line

I keep workin' everyday, all you wanna do is play  
I'm sick of stayin' out all night  
You've been coming unglued from your funny little moods  
So, honey-baby, that ain't right

'Cause ever since you were just a little bitty girl  
Since I was the only man in this whole world  
Now you better do some thinking then you'll find  
You got the only daddy that'll walk the line

Everybody knows you been steppin' on my toes  
And still just puttin' me on  
When I start-a-walkin', don't I hear you start-a-squawkin'  
Beggin' me to come back home

'Cause ever since you were just a little bitty girl  
Since I was the only man in this whole world  
Now you better do some thinking then you'll find  
You got the only daddy that'll walk the line
