

# Elvis Costello, There Won't Be Anymore

Don't wait for the telephone if you want a call from me  
There won't be anymore, there won't be anymore  
And don't wait for the mailman if you want a letter from me  
There won't be anymore, there won't be anymore  
All the love we had until you turn back  
And it broke my lovin' heart in two

When you're heart is breakin' and you want some lovin' from me  
There won't be anymore, it won't be like before  
It won't be like before, there just won't be anymore

All the love we had until you turn back  
And it broke my lovin' heart in two

When you're heart is breakin' and you want some lovin' from me  
There won't be anymore, it won't be like before  
It won't be like before, there just won't be anymore
