

# Elvis Presley, A Hundred Years From Now

Well a hundred years from now I won't be crying  
A hundred years from now I won't be blue  
My heart will have to forget that we ever met  
But I won't care a hundred years from now

I'll never forget sweetheart the night you told me  
That you could Live without my love somehow  
That's all in the past I knew it wouldn't last  
But I won't care a hundred years from now
