## Elvis Presley, Beyond The Bend

Breeze sing a happy song This heart of mine is singing right along Don't know where I'm going Don't know where it ends Till the grass is greener, beyond the bend

I haven't got a care I'm just on my way to anywhere Pocketful of nothing, nothing I can spend Hope the grass is greener, beyond the bend

Beyond the bend, perhaps there'll be Somebody waiting who's right for me

So I got to move around And I know I've got to cover ground Oh the trip is shorter when you got a friend Gonna find that rainbow beyond the bend

Beyond the bend, perhaps there'll be Somebody waiting who's right for me

So I got to move around And I know I've got to cover ground Oh the trip is shorter when you got a friend Gonna find that rainbow beyond the bend

Beyond the bend, beyond the bend
