Elvis Presley, Bringin' It Back

If I can never see you, if I can never hold you If I can never touch your face or feel your warm embrace I still remember talkin', I still remember laughin' I still remember lovin' you a lot and touchin' you Only bringin' it back, only just bringin' it back A familiar face, a familiar face just brings it all back Everything's bringin' it back, good songs bringin' it back Even after so much time, everything's bringin' it back Thinkin' in my solitude, wonderin' about your attitude Thinkin' maybe that your love has died There it is, I can see it in your eyes A look of sweet surrender, a touch of too much sadness 'Cause I've hurt you so, you know your sorrow shows You just can't stay, but you can't let go
