

# Elvis Presley, Daddy's Little Girl

Your the end of a rainbow  
My pot of gold  
Your daddys little girl  
To have and hold  
A precious gem  
is what you are  
Your mommys life and shining star

Your the spirit of christmas  
My star on the tree  
Your the easter bunny  
To mommy and me  
Your sugar your spice  
Your everything nice  
And your daddys little girl

Your the end of a rainbow  
My pot of gold  
Your daddys little girl  
To have and hold  
A precious gem  
is what you are  
Your mommys life and shining star
