

# Elvis Presley, Datin'

(Words & music by Wise - Starr)

Datin' is a game that grown-ups play  
Datin' means acting in a silly way  
Datin' makes girls start wiggle walking  
Datin' makes a guy start baby talking  
Dizzy like children on a merry-go-round  
Grown-ups are the biggest kids I've found  
You'd think they belong in a baby carriage  
They're doing things that lead to marriage  
But don't you laugh at what they do, oh no  
'Cause some day you'll be datin' too  
Datin' makes a guy comb his hair just right  
His girl can mess it up when they kiss good-night  
Datin' makes you quarrel and say you'll break up  
And just because it's so much fun to make up  
Children can't wait to grow up but then  
They're datin and they're acting like kids again  
You'd think they belong in a baby carriage  
They're doing things that lead to marriage  
But don't you laugh at what they do, oh no  
Some day you'll be datin' too
