

# Elvis Presley, Don't Leave Me Now

(Aaron Schroeder - Ben Weisman)

Don't leave me now  
Now that I need you  
How blue and lonely I'd be  
If you should say we're through

Don't break my heart  
This heart that loves you  
They'll just be nothing for me  
If you should leave me now

What good is dreamin'  
If I must dream all alone by myself  
Without you darling  
My arms would gather dust

Come to these arms  
These arms that need you  
Don't close your eyes to my plea  
Don't leave me now
