

# Elvis Presley, Doncha' Think It's Time

(Otis and Dixon)

I've been yearning for a little romance  
I wanna know when you gonna give me a chance  
Kiss me honey, tell me your mine  
Doncha' think it's time

I've been yearning for a sweet embrace  
Rub my hair till I'm a total disgrace  
Kiss me honey make my life divine  
Doncha' think it's time

I don't wanna walk without you  
Walkin' right by my side  
It hurts me to see you talkin'  
With the other guys

I get so warm when you touch my cheek  
You thrill me so much that I can hardly speak  
Love me honey tell me you're mine  
Doncha' think it's time

I don't wanna walk without you  
Walkin' right by my side  
It hurts me to see you talkin'  
With the other guys

I get so warm when you touch my cheek  
You thrill me so much that I can hardly speak  
Love me honey tell me you're mine  
Doncha' think it's time  
Doncha' think it's time  
Doncha' think it's time  
Doncha' think it's time
