Elvis Presley, Drums Of The Islands

(words & Drums of the islands you're beating in my heart You're with me no matter where I roam If ever I wander if ever we're apart I know that you will lead me home

If I should journey across the deep blue sea I'll never forget these coral shores

Drums of the islands I hear you calling me And I'll return forever yours

I love each valley each grain of sand each hill The flowers the music of the isles These are the things I love and always will Though I may roam ten thousand miles
