Elvis Presley, Fairytale

(Anita and Bonnie Pointer)

I'll pack up all my things and walk away, I don't want to hear another word you have to say I've been waiting for so long I just found out there's something wrong And there's nothing what get better if I stay

There's no need to explain anymore
I tried my best to love you, now I'm walking out the door
You used me, you deceived me,
And you never seemed to need me
But I'll bet you won't forget me when I go

Seems I've been lost in a dream
Pretending that you care
But now I've opened up my eyes
And found it's all been just a great big fairytale

I've been lovin' you so long Don't think I'd even know how to forget you But now the way that things have been I think I'm better off alone Than to be with you

There's no need to explain anymore I tried my best to love you, now I'm walking out the door You used me, you deceived me, And you never seemed to need me But I'll bet you won't forget me when I go

Seems like I've been lost in a dream Pretending you were mine Someday you'll open up your eyes And realize that a good man's hard to find
