Elvis Presley, Go East Young Man

I'm gonna go where the desert sun is Go where I know the fun is Go where the harem girls dance Go where there's love and romance

Out on the burning sands In some caravan I'll find adventure while I can To say the least, go on, go east young man

Go east young man, go east young man You'll feel like a sheik, so rich and grand With dancing girls at your command Go eat and drink and feast, go east young man

I'm gonna go where the night's enchanted Go where those dreams are granted When paradise starts calling Into some tent I'm crawling

I hear those desert drums And when nighttime comes Then I'll make love the way I planned To say the least, go on, go east young man

Go east young man, go east young man You'll feel like a sheik, so rich and grand With dancing girls at your command Go eat and drink and feast, go east young man

Go eat and drink and feast, go east young man
