## Elvis Presley, I Beg Of You

(McCoy and Owens)

I don't want my heart to be broken Cause it's the only one I've got So darling please be careful You know I care a lot Darling please don't break my heart I beg of you

I don't want no tears a-falling You know I hate to cry But that's what's bound to happen I you only say goodbye Darling please don't say goodbye I beg of you

Hold my hand and promise That you'll always love me true Make me know you'll love me The same way I love you little girl

You got me at your mercy Now that I'm in love with you So please don't take advantage Cause you know my love is true Darling please please love me too I beg of you

Hold my hand and promise That you'll always love me true Make me know you'll love me The same way I love you little girl

You got me at your mercy Now that I'm in love with you So please don't take advantage Cause you know my love is true Darling please please love me too I beg of you
