

# Elvis Presley, I'll Hold You In My Heart (Till I Can

(Words & music by T. Dilbeck)

I said I'd hold, I said I'd hold,  
I said I'd hold you in my heart 'till I can hold you in my arms  
Like you've never been held before  
Well I'll think of you each day and then I'll dream the night away  
Oh, 'till you are in my arms once more  
The stars up in the sky, you know they know the reason why  
I feel so blue 'cause I'm away from you  
Yeah I'll hold you in my heart 'till I can hold you in my arms  
Oh darling please wait for me  
You know the stars up in the sky, you know they know the reason why  
I feel so blue 'cause I'm away, I'm away from you  
Yeah I'll hold you in my heart 'till I can hold you in my arms  
Oh darling please wait for me  
The stars up in the sky you know they know the reason why...  
I feel so blue 'cause I'm away, I'm away, I'm away, I'm away from you  
I said, I said I'd hold you in my heart, heart, heart 'till I can hold you in my arms  
Oh darling please wait for me  
The stars up in the sky, you know they know the reason why  
I, I feel so blue 'cause I'm away, I'm away from you  
Yeah, I'll hold you in my heart 'till I can hold you in my arms  
Oh darling please wait for me
