Elvis Presley, I'll Hold You In My Heart (Till I Can

(Words & amp; music by T. Dilbeck)

I said I'd hold, I said I'd hold,

I said I'd hold you in my heart 'till I can hold you in my arms

Like you've never been held before

Well I'll think of you each day and then I'll dream the night away

Oh, 'till you are in my arms once more

The stars up in the sky, you know they know the reason why

I feel so blue 'cause I'm away from you

Yeah I'll hold you in my heart 'till I can hold you in my arms

Oh darling please wait for me

You know the stars up in the sky, you know they know the reason why

I feel so blue 'cause I'm away, I'm away from you Yeah I'll hold you in my heart 'till I can hold you in my arms

Oh darling please wait for me

The stars up in the sky you know they know the reason why...

I feel so blue 'cause I'm away, I'm away, I'm away, I'm away from you

I said, I said I'd hold you in my heart, heart, heart 'till I can hold you in my arms

Oh darling please wait for me

The stars up in the sky, you know they know the reason why I, I feel so blue 'cause I'm away, I'm away from you

Yeah, I'll hold you in my heart 'till I can hold you in my arms

Oh darling please wait for me
