

# Elvis Presley, I'll Never Let You Go (Lil' Darlin')

I'll never let you go, little darlin'  
I'm so sorry 'cause I made you cry  
I'll never let you go, 'cause I love you  
So please don't ever say good-bye

The stars would tumble down beside me  
The moon would hang it's head and cry  
My arms would never hold another baby doll  
If we should ever say good-bye

Well, I'll never let you go  
Because I love you, pretty baby  
I'm so sorry 'cause I made you cry  
I made you cry  
Yeah, I'll never let you go  
'Cause I love you, little baby  
So please don't ever say good-bye
