

# Elvis Presley, I'll Never Let You Go (Little Darlin')

(J. Wakely)

I'll never let you go, little darlin'.  
I'm so sorry 'cause I made you cry.  
I'll never let you go, 'cause I love you.  
So please don't ever say good-bye.

The stars would tumble down beside me,  
The moon would hang its head and cry.  
My arms would never hold another baby doll  
If we should ever say good-bye.

Well, I'll never let you go,  
Because I love you, pretty baby.  
I'm so sorry 'cause I made you cry.  
I made you cry.  
Yeah, I'll never let you go,  
'Cause I love you, little baby.  
So please don't ever say good-bye.
