Elvis Presley, I'll Never Let You Go (Little Darlin')

(J. Wakely)

I'll never let you go, little darlin'. I'm so sorry 'cause I made you cry. I'll never let you go, 'cause I love you. So please don't ever say good-bye.

The stars would tumble down beside me, The moon would hang its head and cry. My arms would never hold another baby doll If we should ever say good-bye.

Well, I'll never let you go, Because I love you, pretty baby. I'm so sorry 'cause I made you cry. I made you cry. Yeah, I'll never let you go, 'Cause I love you, little baby. So please don't ever say good-bye.
